

# 2023 NRCA **GOLD CIRCLE AWARDS**

Recognizing excellence in the roofing industry

**CALL FOR NOMINATIONS**

DEADLINE FOR ENTRIES: Friday, Oct. 28

Winners will be announced during NRCA's 136<sup>th</sup> Annual Convention  
at the 2023 International Roofing Expo® in Dallas, March 7-9, 2023

# WORKMANSHIP, INNOVATION AND SAFETY

WHAT SETS YOUR PROJECT ABOVE ALL OTHER PROJECTS?

NRCA's prestigious 2023 Gold Circle Awards program recognizes NRCA members for outstanding contributions to the roofing industry. Unique roofing-related jobs (commercial or residential), programs and services completed between June 1, 2020, and May 31, 2022, are eligible. Submit your best work for a chance to earn this elite recognition!

## AWARD CATEGORIES

### OUTSTANDING WORKMANSHIP (Steep Slope)

### OUTSTANDING WORKMANSHIP (Low Slope)

Outstanding workmanship applies to steep- and low-slope projects that exceed standard roofing practices—a submitted project must be unique, creative and useful. Clearly explain what makes the workmanship on your project outstanding and sets it apart from all other projects. This can include:

- A particularly challenging job or design
- Abnormal working conditions
- Difficult materials used
- A safety element that resulted in the project being incident-free

### INNOVATIVE SOLUTIONS

Innovative solutions apply to:

- A smart or unique solution to a problem in the roofing industry
- An environmentally friendly project
- An innovative business solution
- Unique software as a service to the roofing industry
- Innovative equipment specifically designed for the roofing industry

### SAFETY PREPAREDNESS AND PERFORMANCE

Safety is integral to a successful roofing project. If you completed a job that exemplified safety preparedness, execution and review, submit an entry that includes the following:

- Specific safety considerations included in the proposal as the job was bid
- The project-specific written safety plan that describes and illustrates:
  - How safety was integrated into unique job elements
  - How multiple trades or unique worker or public protection issues were addressed if applicable
- The fall-prevention plan and post-job review that includes results of safety efforts and what policies were revised/created as a result of unforeseen circumstances that arose during the job

## SUBMISSION REQUIREMENTS

### REQUIREMENTS TO SUBMIT:

- Nominee is an NRCA member
- Project or service was completed between June 1, 2020, and May 31, 2022
- Work was performed by a roofing contractor, design professional, roof consultant, architect, engineer, manufacturer, etc., either individually or collectively
- Nomination is being made by an unrelated third party who can vouch for project satisfaction
- The nomination is not a resubmission

### CONTENTS OF NOMINATION PACKAGE SHOULD INCLUDE:

- A detailed description of the project, program, service or event from conception to completion
- A description of how the project went above and beyond typical procedures
- What made the project, program, service or event outstanding in workmanship, innovation or safety
- Letters of recommendation from the building owner and other unrelated third parties
- Testimonials and detailed explanations
- High-resolution photography that shows:
  - Project and/or application process
  - Safety-related matters/issues
  - No safety violations
  - Close-up shots of workmanship

***Photos should include before, during and after photos—pre-construction, tear-off, work in progress and completion.***  
Brief videos are acceptable as a supplement to photos.
