

The National Roofing Contractors Association has enjoyed a longstanding relationship with CNA since 1970. NRCA has endorsed CNA and its programs and continues to endorse and recommend the program to NRCA members.

CNA and its dedicated team are well-positioned to provide carefully tailored insurance solutions to help roofing contractors navigate unique and ever-changing exposures. CNA brings a depth of knowledge of and experience with the roofing industry. It offers a wide variety of insurance coverages and services, including comprehensive risk control services, specialized underwriting and expert claims services.

NRCA strongly encourages its members to explore the CNA program and all it offers. Regardless of how challenging the business environment, CNA continues to provide stability and offer peace of mind to members that their business investments are properly protected.

Sincerely,

McKay Daniels
