

THERE ARE FOUR STEPS TO BECOMING AN **NRCA QUALIFIED ASSESSOR!**

NRCA ProCertification™ Qualified Assessors play a vital role in the certification process; they are the only people authorized to conduct hands-on NRCA ProCertification performance exams for installers.

STEP 1

Meet the eligibility requirements and apply online.

STEP 2

Complete three self-paced online training modules.

STEP 3

Pass an open-book exam about NRCA ProCertification policies and procedures.

STEP 4

Pass a proctored online final exam and claim your digital badge.
