

**NRCA**  
PROCertification®

**Check out these exciting new releases!**

**New!**

**EPDM certification  
now available!**

NRCA ProCertifications® currently available: Asphalt Shingle Systems, EPDM Systems, Thermoplastic Systems and Roofing Foreman

Free online readiness resources in English and Spanish are available so your workers can prepare for NRCA ProCertification.

NRCA members now can certify their subcontract labor at the NRCA member rate.

**[nrca.net/procertification](https://nrca.net/procertification)**

It's easier than ever to certify  
your workforce. Now is the  
perfect time for your experienced  
installers to take their roofing  
careers—and your company—to  
the next level.

What are you waiting for?  
Have your workers apply today!
