

Tuesday, March 26

11 a.m.-12:15 p.m.

Raising the roof: The latest roofing contract provisions

Description: This webinar will focus on the key contract provisions needed to tackle the latest issues in roofing. Attendees will receive more than a dozen contract clauses as well as gain a better understanding of the legal issues giving rise to the need for enhanced contractual protection.

Presenter: Trent Cotney, partner and construction team co-leader at Adams and Reese LLP, Tampa, Fla.

12:15 p.m.-1:30 p.m.

Talking Technical

Description: This webinar will provide an update on current roofing industry technical issues. Topics to be addressed include how roofing contractors can use the International Wildland Urban Interface Code and International Property Maintenance Code, recent changes to FM Global and FM Approval's guidelines, and an overview of recent roofing-related problems reported to NRCA Technical Services Section.

Presenter: Mark S. Graham, NRCA's vice president of technical services

Wednesday, March 27

11 a.m.-12:15 p.m.

The heat is on: Heat-related Illness Prevention Strategies and Regulatory Update on Heat Rulemaking

Description: Warmer weather is approaching, and the prevention of heat-related illness and injuries is once again a top risk management topic. This session will cover heat-mitigation strategies as part of an overall risk management program as well as provide an update on current regulatory activities related to heat.

Presenter: Cheryl Ambrose, NRCA's vice president of enterprise risk management

12:15 p.m.-1:30 p.m.

Avoiding the great resignation: A panel discussion on the challenges of employee engagement and retention

Description: During this panel discussion, we will cover effective strategies for improving employee engagement and retention. The panel includes Charles Antis from Antis Roofing and Reed Gooding from GSM Roofing. Philip Siegel with the law firm Hendrick, Phillips, Salzman & Siegel will moderate the discussion. Panelists will share what has worked for their companies and what has not. Siegel will cover legal tools available to promote retaining employees. Attendees will also be encouraged to participate.

Presenter: Philip Siegel, partner and shareholder at Hendrick Phillips Salzman & Siegel, Atlanta, Ga.

Panelists:

- Charles Antis, founder and CEO of Antis Roofing & Waterproofing, Irvine, Calif.
- J. Reed Gooding, CEO of GSM Roofing, Ephrata, Pa.
- Curtis Sutton, president of Rackley Roofing, Carthage, Tenn.
