## **MCKAY DANIELS**

NRCA CEO

McKay Daniels started as NRCA's CEO in June 2022. He previously served as NRCA's chief operations officer from 2018-22. Daniels came to NRCA with more than 20 years of experience in nonprofits, government and the private sector.

Daniels has held a variety of leadership and consulting positions throughout his career, including executive director of statewide political organizations in California and Nevada, working for two U.S. senators, and other state and federal elected officials. Immediately prior to joining NRCA, Daniels was chief of staff for two members of Congress.

He and his wife, Rebecca, met during their business administration studies at The George Washington University in Washington, D.C., and have three children.

# KYLE THOMAS

## **KYLE THOMAS**

### NRCA CHAIRMAN OF THE BOARD

Kyle Thomas, executive vice president of Thomas Industries Inc., Mobile, Ala., is chairman of the board for the National Roofing Contractors Association. Thomas was elected during NRCA's 135th Annual Convention held Jan. 30-Feb. 3 in New Orleans and will serve during the 2022-23 fiscal year. His term began June 1, 2022.

Thomas previously served as an NRCA officer from 2016-18 and 2019-22 and an NRCA director from 2005-08 and 2011-14. He also served on many NRCA committees, including the Education Resource Committee, Education Resource Oversight Committee, Future Executives Institute Committee, Health and Safety Committee, Manual Update Committee, Manufacturers Spec Review Task Force, PAC Advisory Committee, QC Guidelines Task Force, Repair Manual Task Force, Technical Operations Committee and Vegetative Roof Manual Task Force. He is a graduate of NRCA University's Future Executives Institute—Class 1.

In addition, Thomas served as president of the Roofing Alliance from 2020-21 and vice president from 2019-20.

Thomas has been in the roofing industry since 1993.

LISA SPRICK

## LISA SPRICK

### CHAIRMAN OF THE BOARD-ELECT

Lisa Sprick is president of Sprick Roofing Co. Inc., Corvallis, Ore., a family-owned business established in 1952 that she joined in 1990. The company installs low- and steep-slope roof systems on commercial and residential buildings.

An active NRCA member since 1996, Sprick's service to the association has included serving two terms on the Executive Committee and three terms on the board of directors. She has chaired numerous NRCA committees, including Career Path, Enterprise Risk Management, Executive Management Institute, Future Executives Institute, the Insurance Board of Governors, NRCA University, Residential Contractor Management, Steep Slope Technical and Workforce Solutions.

Sprick has facilitated and presented at a variety of conferences during the past 25 years covering business management, technical roofing installations and safety topics.
