RECOGNIZING PATRICK DUDKIEWICZ

HON. GUS M. BILIRAKIS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2024

Mr. BILIRAKIS. Mr. Speaker, I rise today to recognize and honor the service of one of my constituents, Firefighter/Paramedic Patrick Dudkiewicz, of the Pasco County Fire Department. On May 25, 2023, and again on June 1, 2023, while off-duty and working out at a local CrossFit gym, Firefighter Paramedic Patrick Dudkiewicz sprang into action to provide life-saving care to two individuals experiencing cardiac arrest. Firefighter/Paramedic Dudkiewicz performed Cardiopulmonary Resuscitation (CPR) and applied an Automated External Defibrillator (AED). In each instance, he successfully obtained Return of Spontaneous Circulation (ROSC) prior to the arrival of Fire Rescue. These actions not only saved the lives of two community members, but also serve as a testament to the dedication, professionalism, and readiness of Firefighter/Paramedic Patrick Dudkiewicz. Firefighter/Paramedic Patrick Dudkiewicz's actions highlight the importance of hands-only CPR, a simple yet effective technique that can be the difference between life and death in the event of cardiac arrest. His actions also serve as a powerful reminder of the critical role that first responders play in our communities and the lives that they save every day.

These are just two examples of the hard work, dedication, eagerness to help, and servant leadership that Firefighter/Paramedic Dudkiewicz exhibits every day when he goes to work. He is a shining example of what it means to be a Pasco County First Responder.

His work ethic should be a benchmark for which other first responders should strive to attain. It is evident that Firefighter/Paramedic Dudkiewicz has made a profoundly positive impact on our community and is qualified to be recognized as a First Responder of the Year for Florida's 12th Congressional District.

RECOGNIZING EFFORTS TO DESIGNATE A "NATIONAL ROOFING WEEK"

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, May 16, 2024

Mr. KRISHNAMOORTHY. Mr. Speaker, I rise today to recognize the National Roofing Contractors Association, headquartered in Rosemont, Illinois, and its efforts to designate the week of June 2–8, 2024, as National Roofing Week.

The roof is one of the most important components of any home or business. It is the first line of defense against natural elements, such as rain, snow, or wind, and yet it is often taken for granted until it falls into disrepair. National Roofing Week honors the thousands of roofing-related businesses and workers across the country, as well as the industry's commitment to public service. National Roofing Week is a valuable reminder of the significance quality roofing has on every home and business in the U.S.

Established in 1886, NRCA is one of the Nation's oldest trade associations and the voice of professional roofing contractors worldwide. NRCA has nearly 4,000 roofing company members who represent the entire roofing supply chain. Using its vast network of roofing contractors and industry-related members, NRCA is responsible for the installation of new construction and replacement roof systems on commercial and residential structures in America. Most of its members are small, privately held businesses that provide family-sustaining jobs for thousands of hardworking individuals who are the backbone of our economy.

Professional roofing contractors provide vital services to their communities, on and off the clock. NRCA members will recognize National Roofing Week June 2–8 by supporting numerous charitable projects, employee training programs and other activities across the Nation. I commend NRCA and the vital role the organization and its members play in every community, and I ask my colleagues to join me in acknowledging their contributions during National Roofing Week.
