

Why roofing? Roofing industry employees love working outdoors, working for a company that values them and have pride in their jobs.

THE ROOFING INDUSTRY IS BOOMING!

U.S. roofing contractors are in the **fourth consecutive year** of improved profitability and double-digit increases in sales.

On average, a roofing foreman can make as much as **\$63,000 with no debt**. The average starting salary for a lawyer is \$67,000 with up to \$122,000 in educational debt.

The global roofing materials market size is expected to reach **\$154 billion by 2025**.

Entry-level roofing workers have a **defined career path** to advance their careers.

Roofs are the first line of defense against protecting what matters most—families. Everyone needs a roof, and roofing professionals have specialized knowledge to protect their communities.
