Help expand the roofing industry's influence on policy making in Washington, D.C.

ROOFING DAY IN D.C.

2021

Take advantage of free legal assistance and legal provisions that are easily inserted into your contracts.

LEGAL

Thanks to NRCA, Congress passed the Tax Cuts and Jobs Act, the largest tax bill in more than 30 years. The bill reduces tax rates for businesses and includes nonresidential roofs in the definition of qualified property eligible for immediate expensing under Section 179 of the tax code. This is a major victory for roofing contractors because it helps your customers, which helps you make more money!
